Texas

"The River Walk in San Antonio is my favorite place in Texas. On my days off I go down there to grab a bite to eat at one of their great restaurants and enjoy the scenery."

-Karen T.

In a state as diverse and big as Texas, there are unique attractions, events and places to explore at every turn. From outdoor enthusiasts to foodies to culture buffs, the options are limitless. Texas celebrates the arts with world-class museums, music and theater. They go way beyond barbeque with their sundry and plentiful culinary options. Texas history is so colorful you'll be happy to find yourself living in the past. With 800 golf courses and 600 miles of warm waters inviting you to take a dip, Texas' climate begs you to get outdoors and enjoy the scenery. You may need more than one assignment in the state to take advantage of all this state has to offer!
